

Pure Mathematics Colloquium

Wednesday 20 May 2015 • Frank Adams rooms

1.30pm - 2.30pm

Colva Roney-Dougal
Generation of finite groups

coffee break

3.00pm - 4.00pm

Chris Hughes
How Big is the Riemann Zeta Function?

4.15pm - 5.15pm

John Mackay
Fixed point properties for groups acting
on L^p spaces

wine reception
